

VIONEX SKIN LOTION

Technical Bulletin

Vionex Skin Lotion provides dry skin relief to healthcare professionals. It contains aloe vera and the skin lubricant silicone, to condition the skin leaving your hands feeling soft. Vionex Skin Lotion does not contain mineral oil or petrolatum, which break down latex. It is not greasy and does not interfere with gloving.

Toxicity Study

“Primary Skin Irritation”

AppTec Laboratory Services. April 2, 2002. Project Number 12954.

Conclusion: Under the test conditions of this protocol, Vionex Skin Lotion is considered a non-irritant.
